RESTORE — LIBERTY

LEGACY SOCIETY

“
Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same.

— RONALD REAGAN

CREATE YOUR LEGACY OF LIBERTY

With thirty years of experience fighting for liberty, and representing millions of Americans, FreedomWorks is the nation's oldest, largest, and most ambitious grassroots organization.

Our Foundation is only one piece of a family of four nonprofit and political organizations, giving us unparalleled reach and influence.

We believe that preserving liberty depends on all Americans having access to their elected officials, and that decisions about government are made by those who show up.

That's why we seek to give our members the tools to break through and reach lawmakers and decision makers with the same force and clarity as lobbyists, special interests, and advocates for big government.

Thanks to the support of our donors, we've won some essential battles over the years to advance freedom, but we've also learned that progressives and special interests never stop looking for ways to grow government and restrict liberty.

To that end, we would like to invite you to leave a permanent legacy for liberty by including FreedomWorks in your will or trust. Joining our Restore Liberty Legacy Society will ensure that whatever new challenges we face in the fight for liberty, FreedomWorks Foundation will be prepared to meet them.

Members of our Restore Liberty Legacy Society will be permanently recognized in our Washington, D.C. office – where you'll help us keep a watchful eye directly on the Capitol! You'll also be eligible for special events and briefings from senior staff and movement leaders like Ken Cuccinelli and Steve Moore.

If you have already included FreedomWorks Foundation in your will, we would like to recognize your generosity. Please contact us today, so we may enroll you as a founding member of our legacy society at (202) 942-7645 or psedghi@freedomworks.org.

HOW DO I ADD FREEDOMWORKS TO MY WILL?

There are many options for making a legacy gift, each of which can provide both tax planning advantages and peace of mind, offering the opportunity to make a transformational gift while ensuring that it's invested in accordance with your wishes.

A **bequest**, designating in your will a dollar amount or percentage of your estate to support FreedomWorks Foundation, is the easiest way to make a legacy gift. To do so only requires inserting the following language in your will: I give, devise, and bequeath to FreedomWorks Foundation, a non-profit 501(c)(3) corporation headquartered in Washington, D.C., the sum of \$_____ (or _____% of my estate; or the property described herein) for its general purposes.

Among other options for your consideration are:

A **charitable remainder trust** or **charitable gift annuity**, which provide you and your family with income during your lifetime, after which the asset balance is distributed to FreedomWorks.

A **gift of appreciated stock** or **real estate**, which offers significant tax savings for you while allowing FreedomWorks Foundation to benefit from the full value of your gift.

A **life insurance policy** that lists FreedomWorks Foundation as both the owner and beneficiary.

We would be happy to talk with you to discuss what legacy you'd like to leave, review your options, and connect you with the appropriate legal and accounting resources.
